PROFESSIONAL SUMMARY

As an experienced UI UX Designer with over 7 months of experience, I have a keen eye for detail and a passion for creating visually appealing and user-friendly designs. My best qualities include strong communication skills, the ability to collaborate effectively in a team, and adaptability to changing design trends. I possess a wide range of skills including wireframing, prototyping, user research, and visual design which have helped me in delivering innovative solutions for various design challenges. With a strong understanding of UX principles and a creative approach towards problem-solving, I am confident in my ability to drive successful results as a UI UX Designer.

EXPERIENCE

UI UX Designer

INNOBYTEX (INBX), Myanmar, Yangon

October 2024 - December 2024

During my time as a UI UX Designer at INNOBYTEX (INBX) in Myanmar from October 2024 to December 2024, I was responsible for creating engaging and user-friendly designs for various digital platforms. I collaborated closely with cross-functional teams to understand user needs and business goals, and used this information to develop intuitive interfaces that enhanced the overall user experience.

- Developed wireframes and prototypes for web and mobile applications
- Conducted user research and usability testing to gather feedback
- Designed intuitive navigation and interactive elements for websites
- Collaborated with developers to ensure design feasibility
